After Hours Quartet	For unplugged engagement proposals or other short events	\$300 flat, cash only in advance.	Maximum of 15 mins singing time.

Details

1. Please note that After Hours accepts payments in cash (preferred). In the event cash is not an option, eTransfers can be sent to afterhoursharmony@gmail.com. Personal or business cheques will be accepted for deposits only, made out to "After Hours A Cappella Harmony". If paying balance by cheque, we will only accept certified cheques at the event OR personal/business cheques that are sent 7 business days in advance. Unfortunately we will not accept personal cheques at the event.
2. After Hours requires a \$200 non-refundable deposit for all gigs.
3. "Unplugged" refers to gigs that require no amplification. "PA provided by client" refers to gigs where the amplification is provided by the client or any other 3rd party that is not After Hours. "PA provided by After Hours" means we will bring our own amplification methods.
4. After Hours tech requirements are as follows: 4 wireless microphones (wired accepted but not recommended), pre-amp/mixer with a minimum of 4 inputs, two main speakers and two monitors, wedge style preferred. Reverb recommended but not necessary. After Hours own gear is good for events of 500 people or less in the immediate area.
5. We politely request proper weather covering when After Hours uses their own gear.
6. After Hours requires a minimum of one hour set-up and 30 mins tear-down time before and after the gig when using their own gear. This time is, of course, no charge to the client.
7. Please note that set splitting must be discussed and approved in advance, otherwise After Hours hourly rate will apply for the entire duration we are at your event.
8. After Hours has a very extensive and versatile repertoire of music. However if there is a song you'd like us to perform, a \$200 cash charge will apply to each song and requires a minimum of 6 weeks to prepare.
9. Please note that travel fees will apply for any event happening more than 75km in any direction from Toronto's Union Station.
10. Rates can be negotiated for charities and fund raisers.
